THE GAME GUY'S PRAYER

Dear God:

Help me to be a sport in this little game of life. I don't ask for any easy place in the line-up; play me anywhere you need me. I only ask for the stuff to give you one hundred percent of what I've got. If all the hard drives seem to come my way, I thank you for the compliment. Help me to remember that you won't ever let anything come my way that you and I together can't handle. And help me to take the bad breaks as part of the game. Help me to understand that the game is full of knocks and troubles and make me thankful for them. Help me to get so that the harder they come, the better I like it.

And, O God, help me always to play fair. No matter what the other players do, help me to come clean. Help me to study THE BOOK so that I'll know the rules, and to study and think a lot about THE GREATEST PLAYER that ever lived and other great players. Help me not to whimper or squeal that the game was a frame-up or that I had a raw deal.

I'd only like to know that you feel that I've been a good, game guy.

Coaching Staff

L TO R: Assistant Coach Chris Smelley, Head Coach Jones Tubb, Assistant Coach Danny Bailey.

Head Coach Jones Tubb

Head Coach Jones Tubb grew up expecting to be a coach and entered the University of Alabama to pursue a degree in physical education. But being a product of the Depression, he found coaching jobs to be at a premium and changed his course of study to business, later owning a furniture business and a sporting goods business.

Coach Tubb spent 38 months in the Army Air Force during World War II. He served in both the 8th (England) and 9th (France and Germany). At the conclusion of the war, he remained in Europe for almost a year. During that time he played with his squadron baseball team and was selected to play on the Air Force's All Star team as the first baseman. He played in the European Theater All-Services tournament, and his team finished second in an 8 team tournament played in Italy.

He became involved in youth baseball, directing for 13 years a YMCA Little League

and Dixie Majors program of 68 teams. He became involved in the American Legion Baseball program in 1965, and, along with Jerry Belk, coached the only local Legion teams to date to go to the World Series, winning the National Championship in 1967. During 13 years of American Legion coaching, Coach Tubb saw 47 of his players go on to junior or senior college play. Coach Tubb returned to coaching full time in 1980 after undergoing serious surgery and selling his stores. He was an assistant for 5 years at the University of Alabama before coming to Shelton to assist former coach Bobby Sprowl. Coach Tubb is in his fifth year as head coach at Shelton during which his teams have participated in post-season play every year but one. Supporting him in his avid devotion to coaching is his wife, the former Geraldine Hewett. The Tubbs have a son, Glynn, and a daughter, Marilyn.

Assistant Coach

Danny Bailey comes to Shelton State after helping coach pitchers and catchers at the University of Montevallo last year while earning his Master's Degree in Education.

He also played four years for Coach Bob Riesener at Montevallo earning all-district and all-conference honors at first base and pitcher. He led the district and conference in home runs and RBI's his senior year while being voted captain by his teammates.

Bailey also made the All South team in the NABF baseball tournament held in Louisville, Kentucky in 1978.

Danny and his wife Joy, a third grade teacher, live in Centreville.

Assistant Coach

Chris Smelley attended Hillcrest High School in Tuscaloosa where he was the 4A-5A-6A Player of the Year in baseball. He played American Legion Baseball and was on 3 consecutive state championship teams. Coach Smelley attended Shelton State for 2 years and was on the All Tournament team. He played 2 years at the University of Alabama winning the Most Improved Player award.

PHYSICAL FITNESS is equally important as mental improvement. Progressive weight training is the time-tested method to improve strength, stamina, and physical fitness for any sport. "Work-out" days for the Buccaneers are held at the YMCA under the guidance of Coach Chris Smelley.
